

Current Vacancy

January 2012

Swimming Teacher

We are currently recruiting for a Qualified Swimming Teacher to join our small team.

This position is for 3.5 hours teaching per week on a Sunday.

Duties: Teaching duties will involve teaching swimming to children in small groups along side another teacher. You will be expected to teach from the water, not the poolside, in our luxurious warm pool. You will be expected to plan lessons, record swimmers progress each week, and prepare written reports.

Qualifications: You will have a minimum of ASA or STA level 1 swimming teaching qualification. You will have excellent communication skills and be passionate about swimming. You must have the initiative to plan lessons, and you must be able to work on your own as well as become part of our small team.

Hours:

Sundays 3.30pm to 7.00pm.

We teach all year around, so this is not a "term-time only" position. There is also the opportunity for additional hours in an administrative role until 9.30pm on Sundays, if desired.

Salary: Hours are paid at £10.00 per hour for those holding a level 1 qualification and at £12.50 per hour for those who have gained a level 2 qualification. Work performed in addition to actual teaching, such as lesson planning, preparing reports and attending staff meetings will be paid at £6.50 per hour. Wages are paid monthly in arrears.

General: To join our small team, you will be flexible and enthusiastic, with a common sense approach. We are located in a rural location, without any public transport, so you will need your own transport.

To Apply: Please send us your CV either on email to info@chessgroveswim.co.uk or in the post to Chessgrove Swim, Ditchford Bank Road, Hanbury, Bromsgrove, B60 4HS. Or, if you would like to ask any further questions about this position, or speak to existing staff, please call us on 01527 821978
